

Steven Kesser

EDUCATION

2023-2027 University of Georgia, Athens, GA
Bachelor of Science, Mathematics, emphasis in Applied Mathematics
Bachelor of Science, Statistics
Applied Data Science Certificate

RESEARCH EXPERIENCE

2025-Present Undergraduate Research Assistant, The Brain Food Lab, University of Georgia, Athens, Georgia
Supervisor: Dr. Shana Adise
2025 Undergraduate Research Assistant, Forest Fire Prediction, University of Georgia, Athens, Georgia
Supervisor: Dr. Monsur Chowdhury

PROJECT EXPERIENCE

2024 Mentee, Mathematics of Triads, University of Georgia's Math Directed Reading Program, Athens, Georgia
Mentor: C. Thomas
2024 Mentee, Generating Functions of Fermat Curves Over Finite Rings, University of Georgia's Math Directed Reading Program, Athens, Georgia
Mentor: R. Cowan

HONORS AND AWARDS

2026 McNair Scholars Program, Athens, Georgia
2026 CURO (Center for Undergraduate Research Opportunities) Summer Research Fellowship, Athens, Georgia
2024-2025 Funded General Scholar, Louis Stokes Alliance for Minority Participation, Athens, Georgia
2023-Present Zell Miller Scholarship, Athens, Georgia

PROFESSIONAL EXPERIENCE

2024-Present Resident Assistant, University of Georgia Housing, Athens, Georgia
2025-Present AI Trainer – Image Evaluation, Handshake AI Fellowship, Remote
2020-2023 Private Tutor, Grades 9-12, Mathematics: Geometry, Algebra I & II, Precalculus, Calculus I & II, and Introductory Statistics, Spanish: Spanish I-III, Kennesaw, Georgia

LEADERSHIP EXPERIENCE

2025 Phase II Fellow, Keystone Fellowship, Athens, Georgia

Steven Kesser

2025	Mentor, Keystone Fellowship, Athens, Georgia
2024-2025	Secretary, Black Male Leadership Society, Athens, Georgia
2024-2025	Advisory Board Member, University of Georgia's Peach State Louis Stokes Alliance for Minority Participation, Athens, Georgia
2023-2024	First Year Council, Black Male Leadership Society, Athens, Georgia
2023-2024	Member, University of Georgia Xtension, Athens, Georgia

RELEVANT COURSEWORK

2026	STAT 4960R, Faculty-Mentored Undergraduate Research I (Linear Models and Applications) Undergraduate Course, University of Georgia
2026	MATH 4740, Optimization and Data Analysis, Undergraduate Course, University of Georgia
2026	MATH 4500, Numerical Analysis I, Undergraduate Course, University of Georgia
2026	STAT 6530, Statistical Inference for Data Scientists, Graduate Course, University of Georgia
2025	STAT 4950, Undergraduate Directed Study in Statistics (A Second Course in Linear Algebra with Applications in Statistics), Undergraduate Course, University of Georgia
2025	STAT 6250, Applied Multivariate Analysis and Statistical Learning, Graduate Course, University of Georgia
2025	STAT 6280, Applied Time Series Analysis, Graduate Course, University of Georgia
2025	STAT 6510, Mathematical Statistics I, Graduate Course, University of Georgia
2025	STAT 6365E, Modern Statistical Programming, Graduate Course, University of Georgia

PRESENTATIONS

2024	"Mathematics of Triads." University of Georgia's Math Directed Reading Program Night, Athens, Georgia.
2024	"Mathematics of Triads." Graduate Student Seminar, Athens, Georgia.
2024	"Generating Functions of Fermat Curves Over Finite Rings." University of Georgia's Math Directed Reading Program Night, Athens, Georgia.
